### Whiteside Machine 3-Wing Wood Drills 6" OAL Carbide-Tipped 1/2" Shank

Thank you for shopping with us!

Whiteside Machine 3-Wing Wood Drills 6" OAL Carbide-Tipped 1/2" Shank Bores clean accurate holes in wood, plastic laminates, Formica®, and Masonite®. Carbide-Tipped for long life even in abrasive materials. The outside spurs outline the hole and help prevent fraying, chipping, and blowout. The replaceable 1/8" diameter high speed steel center point starts the hole and prevents the bit from walking. Replace the center point with a 1/8" drill bit, if desired. Can be resharpened or re-tipped.

Item #	Wings	Size	Shank	Overall Length	Note	Manufacturer	Price
8120687	3-Wing	11/16 in	1/2 in	6 in	Replaceable Center Point is Part #8070125. -- 1/8 in Machine Drill Center Point is Part #8061240	Whiteside Machine	<b>\$107.19</b>
