**Amana Tool Bevel Trim Cutter Assembly 4-Wing**

Thank you for shopping with us! Includes cutter, arbor, and ball bearing guide. An assembly offers the option of switching cutters—from flush trim to either of two bevel trims—without removing the bit from the router or changing the depth-of-cut setup. Four flutes yield a smooth, crisp cut finish. All parts can be replaced individually.

Item #	Manufacturer	Bearing(s)	Diameter	Cut Height, Length, or Width	Replacement Parts	Note	Overall Length	Shank Type	Wings	Angle	Price
--------	--------------	------------	----------	------------------------------	-------------------	------	----------------	------------	-------	-------	-------
