Item #11741-12, Hougen Accessories: RotaMagic™ \$60.00

Thank you for shopping with us! RotaMagic super concentrated cutting fluid is specifically designed for use with annular cutters and similar cutting tools. While increasing your tool life and providing a better hole finish, RotaMagic prevents overheating and reduces friction between the tool and the work surface. Plus, it helps flush chips and debris away from the cutting teeth. Available in Pints, Gallons and 5 Gallon Buckets. Environmentally safe, biodegradable and made in the USA.

SPECIFICATIONS

Manufacturer Hougen

Part Descp. Twelve 1 pint (.47L) Bottles - makes 1 pint each. RotaMagic Concentrated Cutting Fluid is for use with ferrous or non-ferrous materials. Water soluble and yields a 10:1 ratio when mixed with water. (Biodegradable & Non-Toxic)
