Gunmetal Grey

Diamond Tip

Stainless Steel

Item #125T50A, Vega Torx® Insert Bits - 1/4" - Bullnose **\$130.00**

Thank you for shopping with us!

Made from S2 modified shock resistant steel for professional performance and durability. Proprietary precision CNC machined tips for excellent fit in fastener recess. This extra hard diamond coating wears less and grips better than a Titanium coating. High performance stainless steel ideal for environments where corrosion and rust is severe.

Bullnose: The tip of the bit has a larger diameter than the hex shank body.

* Denotes a bullnose type bit where the tip of the bit has a larger diameter than the hex shank body
