**\$28.56**

Thank you for shopping with us!

Whiteside Small Pilot 3/8R, 5/8CL, 7/8LD Roundover Bit - Extra Small Brass Pilot (5/32" dia.) allows these bits to roundover edges on finely detailed workpieces with intricate contours, tight confines, and narrow openings. These bits give professional results without all the tedious hand sanding. Carbide cutting edges far outlast comparable high speed steel bits.
