Item #2174, Whiteside Machine Double 45° Chamfer Bit 1/2 in Shank \$66.63

Thank you for shopping with us! Chamfer bits provide that elegant angle to the side of your workpiece and are one of the most popular edge forming bits. A Double Chamfer is capable of cutting two chamfer designs with one bit. They also feature an adjustable cutting length (maximum cut length of 1-5/8"). For replacement cutter heads, order 2174RH for the shank cutter or 2174LH for the top cutter. Materials: Natural woods, composite woods, hard plastics Recommended RPM: 12,000-15,000 (max 18,000)
