Viking Drill & Tool Screw Machine Length 118° Point High Speed Steel Type 260-BN Titanium Nitride: 29-Pc Set 1/16 - 1/2 by 64ths

118° Point Screw Machine Length High-Speed Steel - General Purpose • The short length of drill and flute makes this an especially rigid drill for greater drilling accuracy • This drill is designed for ease of penetration and to facilitate chip removal in tough, hard materials. Can be used for all screw machine operation.

Titanium Nitride extends tool life.
