### **Item #301505, FS Tool Industrial Quality Hogging Units W/Disposable Knives: Replacement Parts**

**\$8.28**

Thank you for shopping with us!

#### **Design:**

- High tensile strength steel body with solid carbide reversible inserts.
- Inserts have 4 cutting edges with chip breaker.
- Hogger set consists of elements that can be three different diameters (234mm, 242mm, and 250mm). This allows for different profile solutions as per drawing examples.
- Chipping width available from 19.2mm and wider, in increments of 15mm.

#### **Application:**

- For chip-free sizing of panel materials on double-end tenoners and trimming machines
