### Item #45446-LH, Amana Tool Carbide-Tipped Left Hand Plunge 7/8" Dia x 1-1/4" x 1/2" - Shank - 2 Flute \$38.21

Thank you for shopping with us!

In choosing a straight bit for any application, always select one with the shortest cutting edges and the shortest overall length that will reach the required cut depth. Excessive length intensifies deflection and vibration, which degrades cut quality and leads to tool breakage.

These plunging straight bits are for reverse-rotation (counter-clockwise) routers.
