Item #490-10, Amana Professional Quality Lock Miter Router Bit

\$89.74

Thank you for shopping with us! First piece is cut flat (horizontal) and the second is cut perpendicular (vertical) to the first for a perfect fit. There is no need to realign the router depth, provided that the wood is centered to the cutting edge of the bit. Not recommended for use in a pin router nor a router table unless the length of your material can be handled easily. **For use in a table-mounted router. Not for use in a handheld router!** 1/2" Shank 2 Flute Professional Quality Carbide-Tipped
