Item #51200XL, Amana Tool High Performance Solid Carbide AlTiN Coated Panel Pilot Flush Trim 1/4" Dia x 1/4" x 1/4" Shank 1-Flute **\$15.94**

Thank you for shopping with us!

The ideal laminate trimming bit for high-volume production. Solid carbide and integral pilot (no bearing to maintain) extends life of bit; slim configuration reduces vibration. Suitable for routers and trimmers. Aluminum Titanium Nitride (AlTiN) coating provides chip-free edges, lasts 2 times longer than uncoated solid carbide, and 100 times longer than steel tools.

AlTiN coating has many benefits:

- Extra wear resistance
- Allows for faster feed and speed rates
- Cutting edge protected from wear
- Better chip evacuation
- Less heat build up
- Superior cutting quality and extended tool life

SPECIFICATIONS

Manufacturer	Amana Tool
Diameter	1/4 in
Cut Height, Length, or Width	1/4 in
Flute	1
Overall Length	1 1/2 in

SPECIFICATIONS

Shank	1/4 in
Type	Flush
