Item #51201, Amana Tool Solid Carbide Panel Pilot Flush Trim 1/4" Dia x 1/4" x 1/4" Shank 1-Flute \$19.88

Thank you for shopping with us!

The ideal laminate trimming bit for high-volume production. Solid carbide and integral pilot (no bearing to maintain) extends the life of the bit; slim configuration reduces vibration. Suitable for routers and trimmers.

Unique double ended panel pilot bits provide 2 cutting sides in one tool. When the bit dulls, just flip it over.
