### Item #52711001, FS Tool Industrial Quality Conic Scoring Saw Blades

**\$129.12**

Thank you for shopping with us!

FS Tool's offering of industrial saw blades represents the state of the art answers for today's woodworking cutting applications on North American and European machinery. Our product offering is the largest of its kind. Each saw blade has been developed to fulfill a specific cutting application. Each model has been developed with its own grades of materials (carbide and saw plate), its own cutting geometry (grind, hood angle, kerf), and its own operational enhancements (copper noise reducing plugs, cooling slots). Design:

- Tooth configuration: Conic
- Cutting material: TC
- Expansion slots: Cu plugged

#### **Application:**

- For pre-scoring in plastic laminated sheets
- On table saws and sliding table saws with pre-scoring units
