### **Item #5453L, Vortex Series 5400 1 1/4 x 1/2 Single Edge O Flute Straight \$108.45**

Thank you for shopping with us!

O Flute tools create the perfect curled chip that allows softer plastic to be cut without chip re-welding. Ideally suited for plastic materials that form curled chips as opposed to fractured chips. The straight flute design does not impart " up" or " down" forces into the routed part so it is ideally suited for irregularly shaped parts not capable of being thoroughly held in place by vacuum or fixturing.
