### Item #55431, Amana Tool Carbide-Tipped 2-Piece Ogee Stile & Rail 1-5/8" Dia x 11/16" CH x 1/4" Radius x 1/2" Shank Set

**\$148.50**

Thank you for shopping with us! Amana Tool Carbide-Tipped 2-Piece Ogee Stile & Rail 1-5/8" Dia x 11/16" CH x 1/4" Radius x 1/2" Shank Set Our stile & rail sets give you two complete bits: one for doing the rail cuts and one for the stiles. Make cabinet doors and all varieties of frame-and-panel assemblies for furniture and architectural applications. These sets are offered in two configurations—one for working material up to 1" thick and the other for material between 5/8" and 7/8" thick. The same three profiles are available in either configuration. **3/4" Material** Bits in this set have profile and groove or rabbet cutters and ball bearing guide mounted on a 1/2" shank. Respacing of the components should only be necessary—using the provided shims—after the cutters have been resharpened. Use in a table-mounted router. Guide straight cuts with the fence; use the pilot bearing only for

cuts on curved rails or stiles.
