### Item #605-510, Amana Timberline Round Shank Auger Bits

**\$7.95**

Thank you for shopping with us!

7/16" Shank

Auger bits require little feed pressure because the threaded lead screw will put the bit into the cut. For deep holes the auger clears its chips well and the screw point prevents the bit from wandering. Great for plumbing and electrical contractors.

Product Information: • Professional Quality • Unit Pack: Vinyl Pouches
