Item #614401, Amana Tool Carbide-Tipped Glue Line Ripping 14 inch Dia x 40T TCG, 22 Deg, 1" Bore \$172.99

Thank you for shopping with us!

Rip then glue up. With this exceptional blade, there's no need for sanding or jointing after the cut. The precision triple-chip grind and extra-high hook angle (22°) allows aggressive feed rates yet produces an extra-smooth cut finish. The thick plate minimizes vibration. Use on table saws, sliding table saw, single and gang-rip operations.
