**Item #61751, Viking Super Premium Ultra Bor Straight Flute Hand Taps
Type 35-UB Sets -Taper, Plug, Bottoming: Gold Oxide
\$31.75**

Thank you for shopping with us!

Straight Flute Hand Taps - Taper, Plug, Bottoming Ground Thread - High Speed Steel

- The most common style of tap
- Can be used by hand or for tapping under power
- Versatile taps for use in general machine tapping or CNC tapping applications
- Use for through hole or blind hole tapping

Includes one each taper, plug, and bottoming tap.

Gold Oxide - low temperature stress relief that enhances lubricity, reduces friction, increases tap toughness.

PRODUCT TIPS

Tap Wrenches:
They come in two sizes, large & small. Make sure tap is securely locked in place by turning the hex head as tightly as possible with your fingers. Do not use a wrench to tighten.

The diagram shows three tap types: Taper Tap, Plug Tap, and Bottoming Tap. Each tap is shown with a bracket indicating a specific section. Below each tap, it says 'This section cuts full-size thread'. To the right of the taps is a tap wrench with a hexagonal head.
