### Item #7016R, Freud Carbide-Tipped Boring Bit Countersink **\$19.18**

Thank you for shopping with us!

Freud's carbide-tipped boring bit countersinks are engineered to meet the most demanding industrial applications. They simply slip over the body of boring bits, and are held in place with a set screw.

Application: Countersinks all composition materials, solid surface materials, plywood, hardwood, and softwood. Use with carbide-tipped boring bits on automatic or manual multi-spindle boring machines.
