Item #90106205, Whiteside Plus 12" 96-T Trim Cut Blade: TCG

\$143.65

Thank you for shopping with us!

Trim Cut Blades are designed with a finer tooth configuration for finish work. The 10° hook angle provides effortless feeding, and the high tooth count produces clean, chip-free cutting.

The TCG grind is ideal for finish cuts in MDF, HDF, OSB, laminated covered products, and works well with single or double-sided melamine.
