Item #9789, Vortex Tool Series 9700 3-Flute 1/2 x 1 Compression Tooling \$227.93

Thank you for shopping with us!

This new series of compression tooling is a great choice for dense plywood and combination core materials. Utilizing an improved chipbreaker pattern, these tools shorten the length of the chip to help reduce pulling, yielding the cleanest cut possible. This tool design is offered in two flute, three flute, and mortise configurations to fit all your routing applications.
