Item #99-004, Freud Standard Ogee Groove Bits

\$47.92

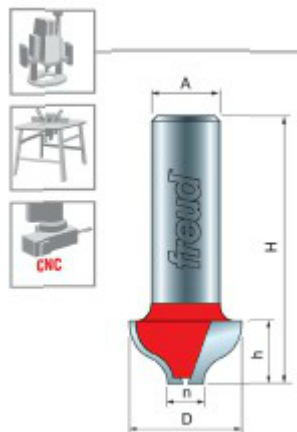

Edge of Arlington offers free shipping in the United States when you choose flat rate shipping.

Application: Traditional accents for furniture and moldings

-This standard ogee groove bit accents any project with a slight, decorative groove. It can produce a decorative edge when used with an edge guide.

-Cuts all composition materials, plywoods, hardwoods, and softwoods.

-Use on CNC and other automatic routers as well as hand-held and table-mounted portable routers.
