99-477

Item #99-477, Freud Chair Rail Bits

\$67.59

Thank you for shopping with us! Application: Creates standard decorative chair rail profiles as well as beautiful panel moldings - Chair rail adds a beautiful horizontal detail to any room in the home or office. - Choose your favorite wood, and perfectly match two very popular chair rail designs. - Use with hardwood or softwood to mill stain grade molding. - Bits for chair rail #300 can also be used by themselves for other profiles. - Use with table-mounted, CNC, or automatic routers. *Note: for best results make two or more*

passes
