C4

Item #C324, W. L. Fuller Type " C" Four Flute Countersinks

\$23.13

Edge of Arlington offers free shipping in the United States when you choose flat rate shipping.

C92

Used to countersink and counterbore for heads of screws in woods, plastics, and non-ferrous materials. Heat-treated for long tool life. The countersink is held in place with two hex-socket screws and is easily adjustable up and down the drill so only one countersink and length of drill is required for one screw size.

C16

Please see chart for size and length recommendations.

C244

Drills are not included.
