Item **#CF-16540WB, Tenryu Cord- Free Series Saw Blades for Wood \$21.42**

Thank you for
shopping with us!

Battery Powered
Saw.

First and most complete line of premium saw blades made especially for cordless saws. When it comes to accessory blades, the growth in the cordless saw industry has created a void with the cord-free series' TENRYU has filled the void.

Each blade
features:

- Ultra-thin, perfectly tensioned steel plates for true run. This saves precious battery power and life.
- Precision honed, high-grade carbide for easy, smooth cuts and long life.
- Tooth configuration to meet specific cutting material and thickness applications.
