### **Item #D055050NMX, Diablo 5-1/2 in x 50 Tooth Aluminum Cutting Saw Blade**

**\$37.32**

Thank you for shopping with us!

Diablo's aluminum cutting saw blades produce fast, accurate cuts in aluminum and other non-ferrous metals without bogging down your cordless saw's battery. This 20mm arbor saw blade includes three additional bushings that allow your blade also to fit on 1/2", 5/8", or 10mm arbor saws. These blades feature Diablo-made TiCo Hi-Density Carbide engineered exclusively to maximize life, performance, and durability in aluminum applications. Designed with a Triple Chip Grind (TCG), the blade's carbide teeth produce clean, burr-free finishes, virtually eliminating any type of rework. The thin kerf body minimizes material removal and requires less cutting power, delivering fast, clean cuts.

Diablo-made TiCo Hi-Density Micro-Grain Carbide for extreme cutting life and clog free cuts. Durable Triple Chip Grind (TCG) tooth design for clean, burr-free cuts for virtually no rework. Tri-Metal Shock Resistant Brazing allows metal cutting carbide tips to withstand extreme impact for maximum durability. Advanced laser-cut thin kerf blade gives extremely fast, effortless cuts in cordless saws. Laser-cut stabilizer vents trap noise and vibration, keeping the blade cool and reducing blade warp. Non-stick Perma-Shield® Coating reduces gumming, rusting, and corrosion.

Optimized for 1/2", 5/8", 10mm, and 20mm cordless saws.

Compatible with: DeWalt (20mm arbor), Makita (5/8" arbor), Black & Decker (1/2" arbor), Ryobi (10mm arbor), Porter Cable (10mm arbor), and Craftsman (10mm arbor)

Ideal for medium aluminum (3/32"-1/4" thickness), copper, plastics, brass, and fiberglass

Ideal For: Cutting aluminum

Suggested Projects: Flooring, Remodeling/Demolition, Electrical & Plumbing

## SPECIFICATIONS

<b>Manufacturer</b>	Diablo Tools
<b>Arbor</b>	20mm
<b>Diameter</b>	5 1/2 in
<b>Teeth</b>	50 TCG
<b>Hook Angle</b>	-5 deg
<b>Kerf</b>	.061 in
<b>Plate</b>	.039 in
<b>Application</b>	Cutting aluminum
<b>Unit Price</b>	--
<b>Pack Quantity</b>	1
