D1244X

### Item #D1244X, Diablo 12" x 44 Tooth General Purpose Wood Saw Blade

**\$39.31**

Thank you for shopping with us! Diablo's general purpose blade is ideal for cutting oak, pine, plywood, pressure-treated lumber, and beams. An excellent choice for table & miter saws, Diablo's blade leaves a smooth cut in a variety of applications, reducing the need to change blades between tasks. Use it for rip cuts with a smoother finish than dedicated ripping blades, or make quality crosscuts in solid wood or plywood. Great for both sliding and "chop" style miter saws as well as table saws. TiCo™ Hi-Density carbide specifically designed for each application to increase performance Perma-SHIELD® Non-stick Coating protects from heat, gumming, and corrosion Super thin laser cut kerf for fast, durable, and clean cuts Tri-metal shock resistant brazing allows carbide tips to withstand extreme impact for maximum durability Hardened Steel Body—warrants a longer life and sharper cutting edge Ideal for: High quality general purpose crosscut and rip cuts in wood, plywood, and OSB Suggested Projects: Remodeling/Demolition
