D1296L

### Item #D1296L, Diablo 12" x 96 Tooth Laminate / Aluminum Saw Blade \$78.63

Thank you for shopping with us!

Diablo's blade features a thin kerf triple chip design that is specially designed to cleanly cut laminate flooring, double-sided laminates, and melamine, leaving a smooth finish with no chipping or tear-out. Laminated materials are highly abrasive, so these blades feature a TiCo™ carbide blend ideally suited to harsh service. Diablo's blade is ideal for 12" sliding miter saws and portable table saws.

TiCo™ Hi-Density carbide specifically designed for each application to increase performance

Perma-SHIELD® Non-Stick Coating protects from heat, gumming, and corrosion

Super thin laser cut kerf for fast, durable, and clean cuts

Note: laminate flooring should only be cut with a sliding miter saw or table saw (never with a "chop" style saw).

Ideal For: Brass, Aluminum, Copper, Plastics, Laminate Flooring\*, Melamine, Wood (\*Only cut laminate flooring on a 12" slide miter or table saw)

Suggested Projects: Flooring, Remodeling/Demolition
