- CUTS**
- Item #DBD045125X01F, Diablo Tools 4-1/2 in. Metal Dual Cut & Grind Disc - Type 27**
 - \$2.69**
 - Thank you for shopping with us!
 - Diablo's premium dual metal cutting and grinding discs provide superior performance and increased productivity.
 - Featuring a premium aluminum oxide blend, these discs cut and grind through material faster than other discs and offer an extra long life. This all-in-one disc allows you to cut and grind simultaneously, saving you time and money. Fully reinforced for use in hand-held cut-off work. Ideal for use when working in hard to reach areas.

Premium Aluminum Oxide Blend—a superior quality formulation designed for fast material removal and long grinding life
 Dual Cutting and Grinding Application—a first of its kind, this disc allows you to cut and grind simultaneously

For use on metal applications: steel, stainless, cast iron, sheet metal

Type 27 - Depressed Center

Ideal For: Medium Duty

Suggested Projects: Smoothing Welds, Metal Removal, Metal Beveling, Metal Cutoff, Slotting and Cutting Metal
