### Item #DCD050VFNH07G, Diablo® Tools Sanding Discs with Hook & Lock™ Backing 5" Refinishing Project Packs: 7-Piece

**\$27.84**

Thank you for shopping with us!

Premium ceramic blend; a superior quality formulation designed for fast material removal and long sanding life. Unique 12-hole pattern provides a one-size-fits-all design (fits all 5- and 8-hole sanders) for fast and precise alignment. Premium Hook & Lock™ backing enables repeated attachment and removal of discs for a consistent secure connection.

 Diablo's premium 7-piece refinishing project pack includes all grits needed to complete your refinishing project: three 80-Grit, two 150-Grit, and two 220-Grit discs. These universal, 12-hole random orbital sanding (ROS) discs feature Hook & Lock™ backing and include breakthrough innovations that improve performance, extend sanding life, and increase productivity. Featuring a premium ceramic blend, these discs remove material faster than other sanding discs and offer an extra long sanding life.

Clog-SHIELD, Diablo's own blend of grinding agents, reduces loading thus maximizing productivity. The superior grit-to-backing bond, ENDURA-BOND, provides Diablo's sanding discs with longer life and extreme durability. For orbital and DA sanders in wood, metal, and plastics. Clog-SHIELD, high performance stearate coating that reduces pitch build-up and clogging for maximum productivity.

Ideal For: Leveling and heavy stock or paint removal; removing minor imperfections and initial sanding between paint/stain coats; and final sanding and surface preparation for stain/varnish.

Suggested Projects: Paint Refinishing, Deck Surface Prep and Reconditioning, Floor Refinishing, Wood Furniture Building and Refinishing, Project Construction

## SPECIFICATIONS

**Manufacturer** Diablo Tools
