Item #DETTRIVGPP10G, Diablo® Tools Detail Triangles 2-7/8" x 2-7/8" StickFast™ Backing Assorted Grits \$5.24

Thank you for shopping with us! Diablo's premium 2-7/8" x 2-7/8" Ultra Coarse Triangle Detail Sanding Sheets with StickFast™ backing include breakthrough innovations that improve performance, extend sanding life, and increase productivity. These sanding sheets are designed for use in Ryobi sanders and are ideal for all types of wood, metal, and plastics. The project pack includes four 60-Grit Ultra-Coarse, three 100-Grit Medium, and three 150-Grit Very Fine sheets. All detail sanding sheets include breakthrough innovations that improve performance, extend sanding life, and increase productivity. Premium aluminum oxide blend—a superior quality formulation designed for fast material removal and long sanding life. Premium hook and lock backing enables repeated attachment and removal of discs for a consistent secure connection. Clog-SHIELD—high performance stearate coating that reduces pitch build-up and clogging for maximum productivity. ENDURA-BOND—a specialized high strength resin provides superior grit-to-backing bond for extreme durability. These sanding sheets are designed for use in Ryobi sanders and are ideal for all types of wood, metal, and plastics. Ideal For: Leveling and heavy stock or paint removal; removing minor imperfections and initial sanding between paint/stain coats; and final sanding and surface preparation for stain/varnish. Suggested Projects: Paint Refinishing, Deck Surface Prep and Reconditioning, Floor Refinishing, Wood Furniture Building and Refinishing, Detail Sanding
