Item #DHS1000CT, Diablo 1" Carbide-Tipped Hole Saw with SnapLock Plus Mandrel System \$14.83

Thank you for shopping with us! Diablo introduces the first carbide-tipped hole saws on the market to cut both wood and metal (wood, nail-embedded wood, plastic, aluminum, metal, cast iron, and stainless steel). Delivering 50 times longer cutting life than bi-metal, these new carbide-tipped hole saws offer faster cutting performance and increased productivity. 60 mm (2-3/8") cutting depth for 40% deeper holes in one pass, increasing productivity. Fits with SnapLock Plus™ mandrel system to allow a quick and easy change with no down time. Mandrel fits all Diablo hole saws, from 5/8" to 6" diameter. Tool-free plug ejection for fast material removal. 50x longer cutting life.
