Item #DJT130RF, Diablo Tools 3-1/4 in. Carbide Grit T-Shank Jigsaw Blade for Ceramic Tile & Glass **\$7.73**

Thank you for shopping with us!
Diablo's carbide grit jigsaw blades deliver extreme durability and superior cutting life in abrasive materials such as soft and ceramic tile, and glass. High-performance carbide grit for longer cutting life versus standard jigsaw blades. The optimized blade design and Perma-SHIELD® non-stick coating reduces heat and pitch buildup for fast and clean cuts. T-shank design fits all combo and most U-shank cordless and corded jigsaws. Carbide Grit for extreme durability and superior cutting life. Optimized blade design reduces heat and pitch buildup. Perma-SHIELD® non-stick coating for less heat and friction. T-shank design fits all combo and most U-shank jigsaws. Maximum performance in cordless and corded jigsaws.
