Item #DMAPLCH2030, Diablo Tools 10 in. SDS-Plus Twist Point Chisel **\$14.98**

Thank you for shopping with us!

Diablo's SDS-Plus and SDS-Max Twist Point Chisels deliver extreme durability and stability in general demolition work and clearing reinforcements.

The reflective energy collar converts impact-generated energy into new energy for maximum material removal. A unique heat treatment process strengthens the steel body to withstand the stress and impact of high-powered hammer drills. The Twist Point design provides wider flutes for faster chipping and jam-free material evacuation. Self-sharpening tip increases productivity and extends the tools life. Optimized for maximum performance in corded and cordless SDS-Plus and SDS-Max rotary hammers.

Extreme durability and longer life in general demolition and clearing reinforcements
Reflective energy collar generates new energy for maximum material removal
A unique heat treatment process strengthens the chisel for impact resistance and stability
Twist Point design resists jamming for faster chipping and material evacuation
Self-Sharpener for increased productivity and longer life
Maximum performance in cordless and corded SDS-Plus and SDS-Max rotary hammers
