Thank you for shopping with us!

Diablo’s SPEEDemon™ Red Granite Carbide-Tipped Hammer Drill Bit range provides one of the fastest and longest lasting drilling solutions on the market for concrete, masonry, and stone.

Optimized with a unique brazing and hardening process, the carbide tip extends life and productivity, allowing users to drill fast, accurate holes. The multi-ground Grip Point tip design allows for aggressive starts that produce clean, fast holes. This range is Impact Strong™ for increased shank stability and durability in cordless and corded impact and drill drivers.

Diablo made carbide tip withstands impact and high heat applications for superior life versus standard masonry hammer drill bits
 Multi-ground Grip Point Tip delivers stability and accuracy required for fast, precise holes
 Hi-performance brazing and hardening process extends life of carbide tip and increases productivity
 Optimized flute design removes dust faster, keeping the carbide tip cooler for ultimate strength and durability
 Impact Strong™ increases shank stability and durability
 More holes per charge in cordless impact and drill drivers
 Maximum performance in hammer or rotary drilling applications
