DS0414BF5

Item #DS0414BF5, 4in Diablo Bi-Metal Recip Blade for Medium Metal Cutting (1/16in to 5/16in) (5 pk)

\$11.23

Thank you for shopping with us! Diablo Bi-Metal Reciprocating Blades deliver 5x the performance of standard blades. The ultra hardened edge is created through a unique heat treatment process that optimizes the bi-metal teeth durability. Diablo's reciprocating saw blades are specifically designed for maximum performance in general purpose (nail-embedded wood and metal) applications. These high performance blades feature bi-metal technology that delivers up to five times longer life than standard blades on the market. Diablo's patented variable tooth technology provides faster cuts with less vibration. Perma-shield® coating protects the blade from heat, gumming, and corrosion 1" Demolition body for straighter cuts with less vibration Ultra hardened cutting edge for up to five times longer life than standard blades A one-of-a-kind tip design that enables faster and easier plunging
