### Item #DS0614BGP2, 6in Diablo Bi-Metal Recip Blade for Nail-Embedded Wood, Metal, and Plastic - 5 Packs of 2 Blades \$33.25

Thank you for shopping with us! The Diablo Bi-Metal Reciprocating Blades are the most innovative blades on the market, delivering breakthrough 5x performance than standard blades. The unique feature combination of Ultra-Hardened Bi-Metal teeth, friction-reducing coating, and high performance Variable Tooth Design provides users with never-seen-before performance and ease of use. Diablo's reciprocating saw blades are specifically designed for maximum performance in general purpose (nail-embedded wood and metal) applications. These high performance blades feature bi-metal technology that delivers up to five times longer life than standard blades on the market. Diablo's patented variable tooth technology provides faster cuts with less vibration. Perma-shield® coating protects the blade from heat, gumming, and corrosion 1" Demolition body for straighter cuts with less vibration Ultra-hardened cutting edge for up to five times longer life than standard blades A one-of-a-kind tip design that enables faster and easier plunging
