Item #DS0911BPFG5, Diablo Tools 9" 11TPI Bi-Metal Reciprocating Saw Blade for PVC, ABS, and Plastics (5-Pack)

\$19.81

Thank you for shopping with us! Diablo's bi-metal reciprocating saw blades for PVC, ABS, and plastics are designed for maximum performance in plastic cutting applications. These high-performance blades feature bi-metal technology and an ultra-hardened cutting edge to deliver up to 5X longer life compared to standard blades. Perma-SHIELD® non-stick coating resists friction by protecting the blade from heat, gumming, and corrosion, allowing for a smoother and faster plastic cutting action. An optimized tooth design provides effortless cuts and minimizes rework in PVC, ABS, and other plastics. Ultra-hardened cutting edge for up to 5X longer life than standard blades. -1" demolition body for straighter cuts with less vibration. -Perma-SHIELD® coating protects the blade from heat, gumming, and corrosion. -Optimized tooth design for effortless cuts. -Compatible with all corded or cordless reciprocating saws. -Ideal for cutting PVC, ABS, and plastics.
