Item #FB-004, 5/8" Diablo Tools Forstner Bit \$7.75

Thank you for shopping with us!

The Diablo 5/8" High-Speed Steel Forstner Bit drills straight, angled, and overlapping holes in all types of wood. The sharp spur ensures precise drilling and resists walking on the material. The bit has a double-ground, serrated edge for less splintering and chipping.

Requires minimum chuck size of 3/8"

Drills straight, angled, or overlapping holes in all types of wood

Forged construction of the hardened steel body warrants a long bit life and a sharp cutting edge

Steep, angled cutting edges produce smooth, flat holes and create chisel-like curls for fast, clean chip removal

Ultra-sharp spur resists walking on material and ensures an accurate hole

Ideal For: Drilling flat bottom holes, pocket holes, or overlapping holes.

FB-004
