Item #FB-016, 2-1/8" Diablo Forstner Bit \$25.99

Thank you for shopping with us!

The Diablo 2 1/8" High-Speed Steel Forstner Bit drills straight, angled, and overlapping holes in all types of wood. The sharp center spur accurately locates the center of the hole for precision.

Drills straight, angled, and overlapping holes in all types of wood with minimal splintering

Quality forged construction of high speed steel for strength and extended life

Ultra-sharp spur ensures an accurate hole without walking on the material

Steep, angled, double-ground, razor-sharp serrated edges slice throughout the rotation of the bit for less splintering and chipping

Drilled holes are smooth and flat, and create chisel-like curls for fast, clean chip removal

Ideal for: Drilling flat bottom holes, pocket holes, or overlapping holes
