### Item #FC-004, Freud Carbide Forstner Bit \$29.97

Thank you for shopping with us!

Freud's Carbide Forstner Bits bring a technical level of excellence not found in a standard high speed steel forstner bit. These bits will drill through a multitude of materials. Use to drill pocket holes, angled holes, overlapping holes, and flat bottom holes. Best of all, these bits will not burn like a standard forstner bit and will stay sharp many times longer.

**Application:** Drills all composition materials, plywoods, hardwoods, solid surface materials, and softwoods. Use in hand held drills and drill presses.

## SPECIFICATIONS

**Manufacturer** Freud Tools
