Item #G43164, Everlast Groover 4" Diameter 4-Tooth 5/8" Bore 3/16" Kerf - Square Face & Top \$149.75

Thank you for shopping with us!

A single purpose tool to be used when a specific width of groove is desired for production runs. Will give good finish cuts when run with grain of material.

Please call for: Different number of teeth, shear face, special designs, special bore size, alternate top grinds.

Straight Top Grind - STR - Each tooth will cut full kerf, making this design very effective for removing material however high cutting pressures are present. Typically used for rip cutting hardwood and softwood.
