Item #Kit #7600 Square Edge, Vortex Flat Table Dovetail Drawer System: Square Edge \$720.29

Thank you for shopping with us!

Now you have the ability to use your flat table router to make Dovetail Drawer Boxes. This "tooling system" will allow users to quickly and easily make dovetail drawer components with a nested base format. Available in two dovetail designs: the traditional square edge and the new rounded edge. The body is manufactured to accept both styles of insert and has a 3/4" shank diameter. "

SPECIFICATIONS

Manufacturer	Vortex Tool
Includes	Insert Body 9101, 4 - INS-9282 Inserts, 2 - 3115 1/4 in compression spirals
Note	Also available in 5/8 in and 1/2 in shank diameters on request
