Item #Kit 8560-INS-8163, Vortex Series 8500 One-Sided Insert Raised Panel Door Cutter: 8560 BODY W/ INS-8163 COPE INSERT

\$1,455.75

Thank you for shopping with us!

This raised panel design will create a raised profile on one side of your entry door and is manufactured to accept two different insert profiles. An integrated tool design, which means less weight, better balance, less run out, and never having to change collets again, is available with an HSK63F taper.
