Item #MD10-601-30, Amana A.G.E. Series General Purpose Saw Blades: TCG Grind \$72.64

Thank you for shopping with us!

Designed for clean cuts in plywood and single-sided laminates.

These blades are specifically designed for clean cuts in plywood and single-sided laminates. The greater number of teeth, triple-chip grind, and 12º hook angle provide an excellent balance between feed resistance and finish. For a chip-free edge on both top and bottom sides of the double-sided laminates, it is recommended to use a scoring blade along with these blades.

Warning: Not recommended for cutting non-ferrous alloys and melamine.

| SPECIFICATIONS | |
|----------------|--|
