Item #MD10-606, Amana A.G.E. Series Thin Kerf Miter/Finishing Saw Blades

\$68.18

Thank you for shopping with us!

Thin Kerf Miter/Finishing Saw Blades.

Cut gap-free miters, every time. These blades are designed for smooth crosscuts in a variety of materials from hardwoods, softwoods, and sheet goods. Ideal for underpowered saws; thin kerf blades reduce waste in expensive materials and require less horsepower to operate.

Warning: Not recommended for cutting non-ferrous alloys and plastic.
