Item #MD220-T643, Amana A.G.E. Series Double-Sided Melamine Saw Blades: H-ATB Grind
\$95.03

Thank you for shopping with us!

Smooth, clean cuts in double-sided melamine. Designed for cutting double-sided melamine and veneered sheet goods on saws without a scoring unit. The H-ATB tooth geometry slices clearly through fragile coatings and laminates. The high bevel will not "violate" the bottom laminate upon exiting the cut, which causes "blow-out." Extra hard sub-micrograin carbide tips for long life. MD220-T643: For Holz-Her® panel saw. **Warning:** Not recommended for cutting non-ferrous alloys.

	NOT RECOMMENDED	FAIR	GOOD	EXCELLENT
MELAMINE	[Full length bar]			
LAMINATE	[Full length bar]			
CROSSCUT	[Shorter bar]			
PLYWOOD	[Shorter bar]
