Item #PRD106, Popular Tools 10 in Hardiplank® Polycrystalline Diamond Saw Blade

\$118.13

Thank you for shopping with us! Popular Tools PCD saw blades are designed for faster, cleaner cuts and will last 150 times longer cutting cement board like Hardiplank®. PCD blades are not intended to cut through nails or staples. 10" and 12" PCD blades with a higher number of teeth are introduced for cutting composite materials such as phenolic with aluminum oxide coating, fiberglass panels, and flooring material coated with aluminum oxide.
