Item #RD7325H, Whiteseide Roughing Spiral Bits (Hoggers) Downcut - 3/4 x 3 1/4 Three Flute, 3/4 Shank \$279.29

Thank you for shopping with us!

Just as their name implies, these bits are designed for increasing cutting feed rates and decreasing project cut out time in plywood, melamine, MDF, and most engineered products. Downcut spiral design ejects chips away from the router when routing through material. This design also decreases the tendency to lift thin/small workpieces during CNC routing.

SPECIFICATIONS
