Item #S524, Everlast Astra Series 5" /125mm Dia 24-Tooth 5/8" Bore 8° Hook Scoring Saw- Straight Top & Conical Sides **\$139.04**

Thank you for shopping with us! Used on both sliding carriage and beam type panel saws to score the bottom of panels, thus allowing a large saw to cut through without chipping material on bottom side. Straight Top Grind - STR - Each tooth will cut full kerf making this design very effective for removing material however high cutting pressures are present. Typically used for rip cutting hardwood and softwood.
